DIME-A-DAY: Optimist International and Optimist International Foundation coexist as two separate organizations that support each other. Optimist International Foundation is the fundraising arm of Optimist International, and works to develop funds to support the endeavors of Optimist International and its mission. When Members and Clubs make a contribution to support Optimist International Foundation, they are, with that gift, supporting Optimist International itself and themselves as a Club as well. With just one dime a day, you can become part of the movement of "Helping Optimists Help Kids" and become part of a large group of Foundation supporters who realize what a difference they make every day in the lives of children.

Meetings: Every
Tuesday 6:45 AM
720 NW 50th St, Topeka

Would you consider making a gift of just a dime a day to assist the charitable work of Optimist International?

The Dime-A-Day level is reached by a contribution of \$36.50 to the Foundation within one Optimist Year, and is recognized by the presentation of a pin.

Several Optimists attended with kids or grandkids performing. Out of 13 bands trying out – Seaman won! They came home with 13 trophies. Sounds like a wonderful trip! Thank you for sharing.
