A New Day - This is the beginning of a new day. God has given this new day to do as I will. I can waste it or use it for good. What I do today is important, because I am exchanging a day of my life for it. When tomorrow comes, this day will be gone forever, leaving something I have traded for it. I want it to be gain, not loss; good, not evil; success, not failure; in order that I shall not regret the price I paid for it.

The best and most beautiful things in the world can not be seen or touched-but are felt in the heart

Closed with the creed.
