Program: Jerry and Justin Glasgow:

It was a stroll down memory lane as 16-year-old Jerry, took a trip south down North Kansas Avenue in his 1954 Ford, starting at his uncle's house near Cecil Road (now N. 35th St) & N. Kansas Avenue. Lots of interesting places along the way as we headed south, some that are still there some that are not.

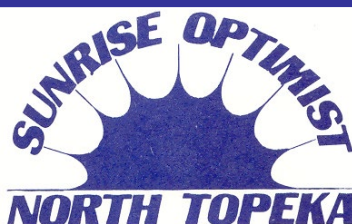

Justin took over remembering his encounters with the Sunrise Optimist Club as he was growing up. Like being at a club meeting at Gage Bowl North and being treated to French toast prepared by Loretta. Or, when summer vacations were attending International Conventions. Justin is proud of the legacy of the Sunrise Optimist Club and proud to be a part of the North Topeka community.
