## Newsletter of the Sunrise Optimist Club

We are on the worldwide web: [www.sunriseoptimist.org](http://www.sunriseoptimist.org)

**President Rocky Fund** began the meeting at 6:45 a.m. this morning. There were about 38 in attendance this morning.

**Dale Kelley** gave the invocation and **Bruce Lanning** led the flag salute.

**Gary Slimmer** introduced guest Mike (Byer?) this morning. Mike lives down on Walnut Lane and is a former member. I am sorry that I don't have proper spelling on last name or any other information on this guest. It is very important that a guest information sheet is filled out and given to the editor and also to the president for follow up. It is very difficult to hear unfamiliar names with all of the other chatter at the meetings.

We did have some birthdays today, but the birthday boys weren't present, so we sang to Jim Hanni, our program, instead. It was so wonderful that Marvin Smith requested we sing that way when it is his birthday. OK says the choir.

**Marvin Smith** reported that he could still use a few more substitute workers for the concession stand this summer. He is going to have a meeting of all workers on May 20<sup>th</sup>. Stay tuned for time. This meeting is very important, as there are a lot of things that need to be done in the stand other than work the window. There is preparation for opening, and also clean up after closing, which includes the restrooms.

**Steve Schiffelbein** reported that the ball equipment has been issued at the coaches meetings held last week. A total of 67 equipment bags were handed out.

**Dan Lill** spoke about the pizza/cookie dough sales that will be happening in conjunction with the ball season.

There will be a board meeting next Tuesday, May 13<sup>th</sup>, at 6:30 p.m. at the complex.

**President Rocky** reported that the new lighted motion sign will be installed today on the back of the announcers booth at

the ball diamond on the corner of 50<sup>th</sup> & Rochester.

**Gary Domer** reported on the workday at the complex last Saturday. He thanked the following workers: **Marvin Smith, Frank Law, Charlie Galligher, Eric Showalter, Dave Ireland, George Ford, Steve Schiffelbein, Ed Thornburg and Vince.**

**Gary** also reported that the new Grasshopper mower donated by Henry Brothers Implement has been delivered.

Today's program was given by Jim Hanni from AAA. He talked about efforts to reduce car crashes & deaths of teenage drivers.

We had a double drawing this morning and **Clyde McNorton** and **Gary Slimmer** each won a package of pizzas. **Larry Carr's** name was drawn for the progressive pot but he was not present.

Closed with the Creed.
