

HIGHLIGHTS

Newsletter of the Sunrise Optimist Club

We are on the worldwide web: www.sunriseoptimist.org

President Dave Ireland opened the meeting this morning around 6:45. Attendance was short this morning with only 32 present..

The invocation was given by **Dan Lill** and the flag salute was led by **Linda Lanning**.

Gary Slimmer introduced Terry Griffiths as his guest again this morning. We are hoping that Terry joins very soon.

Clyde McNorton has a birthday this week so the choir revved up their voices in song. It was just wonderful. (?)

President Dave read a thank you note from Susan Sittenaur thanking us for our support of National History Day.

Let's try this again:

Thanks to **Ernie Douglas** for making new bat holders for the tee ball diamonds.

Thanks to **Marvin Smith, Bruce Lanning, Gary Domer** and **Dave Ireland** for working on the new flag pole station in the front of the building and doing some tree trimming.

Dan Lill reminds members that we would like for them to purchase pizza and cookie dough also. Delivery day is the 23rd of July, so please mark you calendars.

Alan Rose reminds us that July 31 is the annual golf tournament. Walter White and Bud Stalworth are coming again this year. Please start getting you teams together early, maybe practice a little if you need to and come help make this fundraiser a big success. Of course door prizes are always welcome also. For more information, please contact Alan Rose.

We had a very light turnout for our coach's appreciation cookout last Sunday evening. We had lots of food, but not many to eat it all.

The flag dedication has been postponed until a later date.

Thunderhill Speedway invites all members to participate in a night of racing excitement and a barbeque picnic **on July 18th**. Brisket, hot dogs, burgers, potato salad, baked beans, chips, and an evening of entertainment for only \$ 10.00 per person. Gates open at 5, eat at 6:30, Hot Laps at 7, and races start at 7:30. This will be a FUN Night.

Next week we will have Seaman High School Ninth Graders Trey Horton and Trenton Miller, who will share their experiences on attending the National History Day Program in Washington, D.C. Seaman Middle School Gifted Teacher, Kyle Johnson will be in attendance also. The American Legion Auxiliary Girl State attendees will also be present.

Charlie Galligher and Jude Quinn presented the program today. Charlie explained the programming of the digital sign. The software used is called Design Express.

Charlie also explained the Optimist Website and how to use it. He also passed around a sheet for E-mail address.

Brian "Jude" Quinn introduced everyone to the website FaceBook, of which we are a member of. We already have over 300 friends. FaceBook introduces our club to anyone who wishes to find out more about optimism and us. It gives our club and its programs a lot more exposure.

Clyde McNorton won the pot again today.

No one was present to win the progressive pot today.

Pete Foster led us in the closing Creed..
