President's Quote for the Week: Work hard for what you want because it won't come to you without a fight. You have to be strong and courageous and know that you can do anything

you put your mind to. If somebody puts you down or criticizes you, just keep on believing in yourself and turn it into something positive.

We provide programs and opportunities for them to acquire new skills as they grow to become productive citizens and responsible adults. We "Bring out the best in kids" by creating hope and a positive vision of the future.
