PROGRAM - AUGUST 14TH:

Bruce Zimmerman, Evel Knievel Museum. Thanks to Historic Harley Davidson founder Henry Patterson and to the continuing efforts of Henry's grandson Mike Patterson, who is the current owner. The story behind the museum can be traced back to the early 2000's when Historic Harley Davidson was restoring early Harley Davidson motorcycles. One restoration they did was for music legend Jerry Lee Lewis, where they went to his home south of Nashville to find a 1959 Harley in pieces. Although Jerry Lee was very grateful for the restoration he hit financial hardsip and sold the cycle at a Mecum Auction for \$380,000. There is a lot more to the story, but I am running out of room!

Looking Ahead:

August 21: Brett Oetting, President & CEO, VISIT Topeka

August 28: Glen O'Neil & Mike Lincoln, Seaman football coaches

The Sunrise Optimist Club of North Topeka is sponsoring a basketball program for 1st & 2nd Grade Boys, 1st & 2nd Grade Girls, 3rd & 4th Grade Girls and 5th & 6th Grade Girls who reside in the Seaman USD #345 School District or are home schooled. The emphasis of the program is on instruction of the basic basketball skills of dribbling, passing and shooting, as well as providing a recreational activity. Everyone plays in every game, because rather than putting all the emphasis on winning, Sunrise Optimists emphasize values. We try to provide for the opportunity to learn values such as teamwork, good sportsmanship, self-esteem and learning how to respect and get along with others.

Games will be played on Saturdays at Logan Elementary School, 1124 NW Lyman Road. The season will begin on October 20th. The season will run for six games and conclude on December 8th. There will be no games played on Saturday, November 24th due to the Thanksgiving Holiday weekend.
