It's All in the State of Mind

If you think you are beaten, you are; if you think you dare not, you *don't*;

If you'd like to win, but you think you can't; it's almost certain you *won't*

If you think you'll lose, you've lost; for out in the world you'll *find*

Success begins with a fellow's will. It's all in the state of *mind*.

If you think you are outclassed, you are; you've got to think high to *rise*;

You've got to be sure of yourself before, you can ever win a *prize*.

Life's battles don't always go, to the stronger or faster *man*;

But sooner or later the man who wins; is the man who thinks he *can*

Don't wear a white shirt when eating spaghetti.

Cole's Law- Thinly sliced cabbage.

The other line always moves faster.

Always refer to the referee as "sir."

Never get behind offensive linemen in a buffet line.

Closed with the creed.
