We are on the worldwide web: www.sunriseoptimist.org

President Dave Ireland opened the meeting this morning around 6:45.

I don't have much information from the meeting this week. I was unable to attend this morning along with my backup, and also my 3rd backup. I don't know if anyone else took any notes or not.

I have told **President Elect Richard Maginot**, several weeks ago, that I did not wish to continue as bulletin editor for next year, so with only 3 weeks left, I hope that someone will step forward soon.

To date, we do not have a candidate for president-elect, so be thinking about who might be a good president for 2010-2011. This should be someone who has some experience with the club and its programs.

The flag dedication in front of the building will be held on **Sept 13th at 4 p.m.** I understand that Ron Thornburg and Congress Woman Lynn Jenkins will be in attendance. We would like to have a good turn out for this. Cake and punch will be served. Please plan to attend

The Annual Holton Chicken Fry, will be held on Sunday, 09/13/09 at 5:30 p.m. This event is put on by the Holton Optimist Club and is one of their main fundraisers. We would like to see as many members from our club attend this as possible. Why don't you come to the flag dedication and then we will all go to Holton. Having been there before, I will tell you that the chicken is really good. **We do need to take a side dish and let Gary Slimmer know as soon as possible if you are going.**

Dan Lill reminded everyone about the "Wall of Honor" dedication along with the annual **installation dinner on Sunday, Sept 27th**, starting at **4:00 p.m.** I think that this will cost **\$ 10.00** per person. We want to place an 8x10 picture of each past president up on the wall in the hall. We are asking that all past presidents, secretary treasurers,

etc. attend this function if possible.

The end of our Optimist year is fast approaching. Sept 30 will be it for this one. If you know of anyone who would make a good member, now is the time to invite them to a club meeting.

If you are interested, or anyone you may know, in managing the building or mowing the lawn for next year, please contact **Gary Domer** before Oct. 1st.

The program this week was **Jim Massey**, Union Pacific Railroad, Operation Lifesaver. I understand that he was a very interesting speaker.

Next Week's Program

Brad Dietz, Seaman High School Athletic Director, will be our program and will again attempt to take us on a tour of the new football field, etc. weather permitting.

Closed with the Creed.
