Newsletter of the Sunrise Optimist Club

We are on the worldwide web: www.sunriseoptimist.org

President Dave Ireland opened the meeting this morning around 6:45.

Richard Sundermeyer gave the invocation and **Ray Droge** led the flag salute.

There weren't any guest this morning.

Richard Sundermeyer was the only member present with a birthday this morning. The choir sang (?) some type of rendition of happy birthday to him.

There are two board members retiring from the board at the end of this month. They are **Frank Law and Bruce Lanning. Marvin Smith and Rocky Fund** agreed to run again and were re-elected. **Gary Domer** will join the board as a newly elected member the 1st of Oct.

As of Oct. 6th, **Chuck Sodergren** will take over as editor of this newsletter.

Thank you to **Ernie Douglas** for getting the hallway wall ready to paint. It was then painted by a crewman from Kenny's Painting and is now ready for the pictures for the Wall of Fame ceremony this Sunday.

Dan Lill reminded everyone about the "Wall of Honor" dedication along with the annual **installation dinner on Sunday, Sept 27th**, starting at **4:00 p.m.** The dinner will be catered by G;s catering. This will be a free will offering with a suggested donation of \$ 10.00 per person. We want to place an 8x10 picture of each past president up on the wall in the hall. We are asking that all past presidents, secretary treasurers, etc. attend this function if possible. Don Brent will also be there at 4 p.m. to take a picture of you for the wall if you desire.

Marvin Smith would like for any past president to look for any award patches that they might have, and bring them in so we can get them sewed on our awards banner.

If you are interested, or anyone you may know, in

managing the building or mowing the lawn for next year, please contact **Gary Domer**. The deadline for the building manager is Sept. 30th and the mowing contract is Dec. 1st. His number is 256-5625.

This newsletter is to inform you of happenings at the morning meetings and of upcoming events. If you wish to know more about the programs that we have, the solution would be to attend the meetings.

Next Week's Program

Soccer Coach Louis DiLeonardo, Seaman High School.

This Week's Program

Mike Noland, Green Team Coordinator for Westar Energy gave a very interesting talk and showed pictures. He made a lot of suggestions on how to save energy and protect our environment.

Closed with the Creed.
