Celebrating over 50 years of service to Youth & North Topeka!

President Chanc Harris rang the bell and called the meeting to order promptly at 6:45 AM.

Richard Sundermeyer gave the invocation. Dennis Richter led us in the flag salute.

There were no guests of members introduced. Sunrise Optimists celebrating a birthday this week are: Chanc Harris and Rick Kendall. We sang to President Chanc!

The next meeting of the Sunrise Board of Directors is scheduled for November 11th at 6 PM.

President Chanc provided an update on the baseball field turf project. Drain tile around the perimeter of the infield is progressing and the contractor will be providing another temporary entrance to the project off of Rochester Road.

We will help with concessions at Dave Stott's auction, 9:30 AM on Saturday, November 1st. Concessions at farm auctions have proved to be good for organizations. Especially popular are pies. Please donate a pie. Dave's farm is located at 15720 158th Road, Mayetta(north of Highway 75 to 158th Road, then east for 2.7 miles). Linda Lanning reports that she has lined up several pies, but if you have not been contacted about making a pie or helping please get a hold of Linda Lanning.

Program - Seaman High School teacher Randy Crome had several senior students who will be attending Close Up in Washington, D.C. this next week and provided information about their upcoming trip.

Also in attendance was Fred Patton, candidate for 50th District Kansas House of Representatives. Rather than give his standard "stump" speech we played Fred Patton Trivia, or was it how well do you know Fred Patton?

Future Programs-

November 4 - Steve Bushnell, Seaman High School Head Baseball Coach on the improvements to the John Lewis Field at the Sunrise Optimist Sports Complex. This meeting will be held at Pleasant Hill UMC, 4525 NW Button Road.
