Unless a man undertakes more than he possibly can do, he will never do all he can do.

An optimist sees an opportunity in every calamity; a pessimist sees a calamity in every opportunity.

Your attitude tells the world what you can expect from life.

All looks yellow to the jaundiced eye.

Two men looked through prison bars - one saw mud, the other stars.

Don't ask, "What if it doesn't work?"
 Ask instead, "What if it does?"

The possibility of creating a thousand forests is in one acorn

He who expects nothing shall never be disappointed.

Persons have a way of coming up to what is expected of them, good or bad.

Closed with the Creed
