The quality of a person's life is in direct proportion to his commitment to excellence, regardless of his chosen field of endeavor - Vince Lombardi

If you want to see a shooting star, you might have to spend a lot of nights looking up. In the game of life even the 50 yard line seats don't interest me. I came to play!

Nothing in the world can take the place of persistence. Talent will not; nothing is more common than unsuccessful man with talent. Genius will not; unrewarded genius is almost proverb. Education will not; the world is full of educated failures. Persistence and determination alone are omnipotent. Don't wait to be discovered.

The harder the wind blows, the higher your kite will fly.

In the confrontation between the stream and the rock, the stream always wins- not through strength but by perseverance.

Constant dripping wears away the hardest stone; the constant creeping of ants will wear away the stone.

Every drop of rain adds to the ocean and every blizzard starts out with a few snow flakes.

Difficulties strengthen the mind, as labor does the body - Seneca

The best things are hard to come by.

Courage is resistance to fear, mastery of fear, not absence of fear -Mark Twain

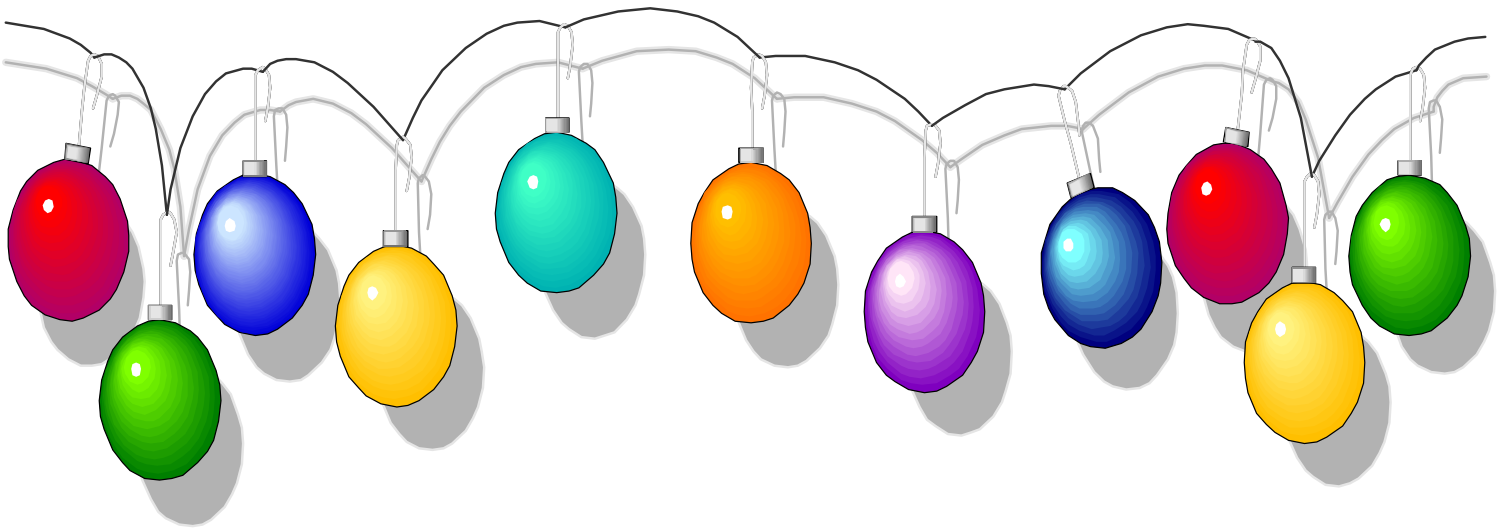

The harder you work, the luckier you get- Gary Player

You have to eat a lot of cereal before you find the free toy.

A creaking gate never breaks; a creaking door hangs long on the hinges. The squeaking hinge gets the most oil; a squealing pig gets fed; the squeaking axle gets the grease.
